Our Services

1. Detoxification Treatment

Detox is the first and most crucial step in addiction recovery. At **Nasha Mukti Kendra in Noida**, we provide **medically supervised detox programs** to help individuals safely eliminate harmful substances from their bodies.

2. Psychological Counseling & Behavioral Therapy

Our trained counselors offer **individual and group therapy sessions** to help patients understand their addiction triggers and develop coping mechanisms. Techniques such as **Cognitive Behavioral Therapy (CBT)** and **Motivational Enhancement Therapy (MET)** are used for effective recovery.

3. Medication-Assisted Treatment (MAT)

For severe addiction cases, **medication-assisted recovery programs** are available to manage withdrawal symptoms and reduce cravings. All treatments are provided under the supervision of medical professionals.

4. Family Counseling & Support Programs

Addiction affects not only the individual but also their family members. Our **family therapy sessions** help loved ones understand addiction, learn ways to support the patient, and rebuild healthy relationships.

5. Yoga, Meditation & Holistic Healing

We believe in a **holistic approach** to recovery. Our rehabilitation programs include **yoga, meditation, and mindfulness techniques** that help individuals manage stress, improve focus, and strengthen their mental resilience.

6. Aftercare & Relapse Prevention

Recovery doesn't end with rehabilitation. We offer **aftercare programs**, follow-up counseling, and support groups to help individuals maintain a **drug-free lifestyle**.
